Ceta Rustlings.

Ceta was visited with a very bad fire last Thursday coming in a southeasterly direction. It burned over lots of pasture. P. C. Buckner was the heaviest loser, having lost his barn, sheds, granary, coal house, chicken house, implements, feed, some pigs, chickens and turkeys. It was only by the hardest work that the house and windmill were saved. But the good people turned out and helped haul lumber and Saturday they helped him build another barn. As the wind was blowing a gale it was only a miracle that anything was saved.

Mrs. James and daughter, Miss Lizzie, visited with G. P. Bryan and wife last Saturday.

and Dillman Thomas were the heaviest losers in our neighborhood.

A. L. Roles and son, Roy, came up from Happy last Thursday. Fire was the cause.

A number of the Nina people went to the canyon last Wednesday and came out Thursday just ahead of the fire and to say that they moved around some would not be doing them an injustice.

This writer noticed in last weeks paper where a dog jumped a jack rabbit and run him for ten days the dog finally winding up at his old home in Iowa. If it took the dog ten days to make the trip, how long was the jack rabbit on the road?
